“*I let my work do the talking*”

I am a seasoned creative professional with 12+ years of experience in video production. Currently, I am working as Video Content Production Manager at Motivate Media Group.

Overseeing and managing video production (pre to post) across all departments in Motivate Media Group for every medium (commercials, social media videos, corporate videos, events)

My current responsibility includes planning, story writing, booking, production to editing the final video. Not only leading a team of videographer, photographer and video editors, but also hands on during the post editing.

I have worked in several high profile projects - from client facing, visualization, brainstorming to production, and editing the video.

I have a vast knowledge and experience in producing different genres videos including lifestyles, TVCs, social media, corporate, fashion, documentaries etc.
